

“Frank Maiorana, with his team at Silicon Valley Law Group, has been our company attorney for years. He has represented us on virtually every kind of real estate transaction and problem. I’ve worked with many attorneys, and can confidently say that Frank is a Godsend. Knowledgeable and friendly, Frank seems to be always on the job, and is someone you can always count on to steer you in the right direction. Frank is a formidable negotiator and has gone to bat for us many times and won. I would highly recommend him for any real estate work or as personal counsel. If I ever have my own company, I wouldn’t want anyone else but Frank Maiorana to represent me.”
